as non-individuals, et al., to be referred to and/or referenced as the petitioner's NOTICE OF APPEAL:

I. The right to appeal

1. The District Court was given opportunity to correct its error made by one of its ministerial
clerks/officers, it has chosen by evidence of the record to ignore the affidavits place this
evidence on the record in violation of due process, the Constitution, and other laws.

the Cestui Que beneficial owner of the equitable trust, We deny infancy, am of the age of majority,
managing and maintaining my own affairs, competent and aware of this my standing, and not a
member of the craft, do not participate in the belief in a so-called temple legends, and not a member
of the kingdom of Cain, not a descendent and/or follower of Tubal-cain, Lamach, Nimrod, Samiel, the
brotherhood of the Rose-Cross! And although We have knowledge of the Genie of Fire, The Ancestry
of the Legend, the So-Called Two Elohim, Tubalcain Cipher, the Race of Cain, the Hosts of Mars, the
Resacration-Creation Story, the Lion's Pillars of Knowledge, the Seven Sciences, Amaru-Land of the
Plumed Serpent, the Temple Legend, Hiram Abiv [Abiff], We do not profess to propagate such non-
Gnostic, highly improbable, fictional storytelling.

We further state for the record that any code applicable to the drivers of vehicles upon the highways that apply to the drivers of all vehicles while engaged in the course of employment any State, or any political subdivision thereof, or any municipal corporation, or any district, including authorized emergency vehicles subject to those exemptions granted such authorized emergency vehicles in any code and or a certificate of ownership or a certificate of registration of any motor vehicle or any renewal thereof has never amounted to willful consent on my part, behalf, interest, and We withdraw any implied quasi-consent and or otherwise; having knowledge that A "commercial vehicle" is a motor vehicle of a type required to be registered under this code used or maintained for the transportation of persons for hire, compensation, or profit or designed, used, or maintained primarily for the transportation of property.

(b) Passenger vehicles and house cars that are not used for the transportation of persons for hire, compensation, or profit are not commercial vehicles. As such We do not consent to The acceptance or retention by a resident of this state of a driver's license issued pursuant to the provisions of this code, being construed as consent of and/or by my person that service of process made upon myself and/or my interest and/or any of my representatives within or without this state, whether or not We are a resident of any state, in any action brought in the courts of any state out of the ownership or operation of the vehicle upon a cause of action arising in any state.

We forever perpetually as well as retroactively withdraw any and all consent implied or otherwise associated with any of the tax and revenue codes, issuance of any license and or permit, associated with any benefit and/or privilege as We are non-taxpayers, not of the minority and disaffirm any and all contracts made during infancy:

a. 7 Cal.App.2d 395, 46 P.2d 234

JOHN J. O'NEIL, Appellant, v. DEPARTMENT OF PROFESSIONAL AND VOCATIONAL STANDARDS et al, Respondents. Civ. No. 10276. District Court of Appeal, Second District, Division 2, California. June 5, 1935.

2. The District Court has elected to extort fees from the petitioners the same as the Monterey County officials have resorted to extorting fees from citizens of United States of America in violation of the Double Jeopardy Clause, due process, and other tax and revenue laws.
3. The District Court has somehow presumed that access to the court is a privilege and not a right, and that an individual may only remove a case when they deem it appropriate.
4. Since the district court had original jurisdiction in this matter as we brought to this body's attention Deutsche Bank is a Delaware Corporation, which constitutes diversity jurisdiction. That the value of the claim made by DEUTSCHE BANK was greater than \$75,000; and that the original matter involved the mortgage, and they were suing for possession of a property involving a deed of trust of an amount of greater than \$1.4 million of which they are still claiming is now payable in due, making this a matter movable to the federal District Court.
5. That the matter involved a countersuit and counter demand, and that the matter removed to the District Court was converted or amended to a civil suit. Explain to the District Court that removal to the District Court created a new venue, and any jurisdiction, permitting one

to amend the complaint, as there is no provision in statute or rules of court prohibiting one from doing this, and since the District Court had no discretion in this matter of amending the complaint, and because the District Court's decision did not consider the right to amend complaint, it is construed that they are saying one does not have the right to do such in violation of law, abuse of discretion, and we objected and continue to object.

6. The District Court was told that it was a commercial business engaging venue and not part of the judicial branch, the District Court interfere with our right to petition the judicial branch of government, and continues to block that access and we object.
7. We have not received the final judgment we demanded from the District Court, we have not received a response from the District Court in our communication for clarification of its stance, and of its orders, and as such we do hereby place this are notice of appeal on the record, and evidence the record by and this affidavit.

II. Request FOR STAY PENDING Outcome

8. We humbly request the stay, Temporary Restraining Order, injunction against any transference of this property and or possession of this property until this matter has been resolved on appeal.
9. This matter involves real property, that is valued at greater than \$1.4 million, and we have attached to this matter proof that this property has already been paid in full and that the respondents have no claim, and we do hereby attach to this notice of appeal for review by the appeal court since the District Court refused to view the evidence.
10. If this matter is not stayed with regards to the transference and or Reconveyance of our property it will result in irreparable harm which would not be in the interest of the public or any interest of justice.

Exhibit demonstrating tender of payment as required by statute and obligation, a matter of record

shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.
